

### The 6th Thessaloniki Biennale of Contemporary Art & its collaborating hotels!

On the occasion of the 6th Thessaloniki Biennale of Contemporary Art, 22 exquisite hotels of our city of all categories, all members of the Thessaloniki Hotels Association, responded for another year to our invitation, providing special room rates to the visitors of the organisation.

This collaboration honors the Biennale and it also rewards our efforts for coordinated actions, meeting the needs of the visitors of Thessaloniki and networking the cultural and tourism agents.

You are kindly requested to read the following list, check the hotel websites and book the room(s) in the hotel that suits you best, by contacting directly the hotel and using **the code "6th Thessaloniki Biennale of Contemporary Art"**, in order to get the special rates!

We will be glad to welcome you to our city!

\_The rates apply for individual room bookings, per night, and for the respective room types, always based on the current availability, from September 27, 2017 to January 15, 2018, unless the hotel itself extends the offer. Hotels reserve the right to adjust their prices during congresses, sector exhibitions and festivals; daily discount offers may also apply.

\_Prices are per room and include all legal taxes, unless stated otherwise. Hotels reserve the right to modify the following rates in order to include any new taxes, fees or dues.

\_Room rates include breakfast, unless stated otherwise; each hotel provides a range of facilities (eg parking, shuttle bus, internet wifi, pool use, fitness center, spa services etc.) that are listed in detail on their websites.

\_The Biennale encourages its friends to visit the hotels' websites.
